

Barrel District Weekly Update

COUNCILMEMBER

BART TURNER

Glendale's Barrel District

August 12, 2016

Greetings!

Here are a couple events I think you may enjoy:

Enjoy **Miss D'meaner & the Felonies** as they perform a unique blend of Alternative/Rock/Pop cover songs from the 1970s through today. This 5-piece cover band performance is **free** to the public and is scheduled for **tonight, August 12**, from **6:30-9:30 pm** at **Westgate's Fountain Park**. For details, visit missdmeanerandthefelonies.com

Also,

Did you know National Bowling Day is tomorrow, August 13? Celebrate by bowling at one of 16 AMF, Brunswick Zone and Brunswick Zone XL centers across the Phoenix metro area. Bowling centers will make a donation to Feeding America to fund more than half a million meals. Visit nationalbowlingday.com for complete details.

Have a safe and enjoyable weekend!

Councilmember Bart Turner

Glendale City Council

City Council Updates

The Glendale City Council will be considering the adoption of a designated Entertainment District pertaining to the issuance of liquor licenses within downtown Glendale. The city is conducting extensive public outreach to gauge public opinion regarding the proposed creation of a district.

Currently, state law prohibits issuing certain types of liquor licenses within 300 feet of a church or a public or private school. However, state statute provides the opportunity for communities to designate a specific area as an Entertainment District, thereby allowing an exemption to the 300 foot rule.

The city will be holding a public meeting on **Wednesday, August 31st at 6pm** in the Glendale City Council Chambers, 5850 W. Glendale Ave, should any

City Announcements

Glendale Seeks Input On Possible Zoning Ordinance Allowing Chickens In Residential Neighborhoods. Thank you for your interest in the proposal to allow chickens in Glendale's residential neighborhoods.

This request was presented by a citizen during the citizen comments portion of a City Council voting meeting. Our City Charter requires the City Council to act on this request. Following a staff presentation during the January 19, 2016 Council Workshop the consensus of the Council was to move forward, with the following considerations:

- Allow only a "reasonable number" of chickens. Public input will be helpful in determining exactly what that number should be.
- Allow only hens. No roosters.
- Must be in a fenced backyard, not free-ranging.
- Any change should not override homeowner associations' existing rules or their future ability to regulate.
- All existing city prohibitions on nuisances, such as noise and odor, would still apply.

The City has scheduled a public meeting to discuss this proposal for Wednesday, August 17, at 6 p.m. in the Council Chambers located at Glendale City Hall, 5850 W. Glendale Avenue. All who attend will have the opportunity to share their thoughts on this issue.

If you have questions or cannot attend the public meeting and wish to share your thoughts with me please call my office at **623-930-2249** or email me at bturner@glendaleaz.com.

Public Comment Sought On Reappointment Of Glendale Judge. The Glendale Judicial Selection Advisory Board (JSAB) is seeking public input on the reappointment application of City Judge John David Burkholder. The board, which is charged with making a recommendation to the Glendale City Council on Burkholder's reappointment application, is holding a public hearing at 6 p.m., Thursday, September 8, in Council Chambers at Glendale City Hall, 5850 W. Glendale Ave. All interested parties are invited to offer comments.

community stakeholders wish to speak directly on this matter in a public forum. If you are unable to attend the meeting, but would like to provide feedback, the city has created a survey. The deadline to submit survey responses is **September 2, 2016**.

Please click [here](#) to complete the survey.

Serve On A Glendale Board Or Commission

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council.

For more information, please contact **Kriss Carneal** at **623-930-2814** or email her at kcarneal@glendaleaz.com.

Glendale Water Services Department provides free resources to help customers find and fix irrigation leaks. Irrigation systems get the biggest workout of the year in August. Don't let your landscaping soak your pocketbook by letting leaks go unnoticed and unfixed. The City of Glendale Water Services Department provides customers with free resources to help them maintain an attractive and water-efficient yard.

Summer is when there is peak demand for water to keep lawns, gardens and landscapes healthy and green in the Valley. As much as 50 percent of the water used for irrigation systems is wasted due to evaporation, runoff, overspray and leaks.

The Glendale Community Services Department Is Seeking Public Input On Facility Fees. The Glendale Community Services Department is conducting a parks, recreation, and library review to evaluate public fees associated with special activities, sports programs, and class offerings, in addition to park, ramada, and room or facility rentals at city parks, recreation centers, and libraries. The study is being conducted as part of the city's ongoing efforts to effectively deliver quality recreation and leisure opportunities to Glendale residents, and will include a comparison of fees in neighboring jurisdictions, an assessment of market competitiveness, and a forecasting of Glendale's future needs. A public meeting will be held at the Foothills Recreation & Aquatic Center on September 1st from 5-7 pm.

CURRENT: Olive Ave/59th Ave Waterline Improvements Project UPDATE

Thank you for your interest in the City of Glendale's waterline improvements project, currently taking place in the intersection of Olive Avenue and 59th Avenue. We'd like to provide an update on our progress.

Crews are currently working in the southbound lanes (west side) of 59th Avenue at the Olive Avenue intersection to install waterline from approximately 600 feet south of Olive Avenue to 200 feet north of Olive Avenue.

Next week, crews will continue this work in a northerly direction through the intersection. As this work will be conducted in segments to maintain travel through the intersection, please be prepared for traffic control changes during the week to shift traffic away from the construction activity. **Tentatively scheduled for early the week of August 1st, crews will prepare for and pave back the areas where trenching occurred to install the waterline in 59th Avenue.**

Tentatively scheduled to begin mid to late the week of August 1st, work will begin to install waterline in the eastbound lanes (SOUTH side) of Olive Avenue approximately 200 feet east and west of 59th Avenue, which should take about a week to complete. This work will be followed by installation of a waterline in the westbound lanes (north side) of Olive Avenue.

Olive Avenue and 59th Avenue will remain open for travel during this work; however, traffic will be shifted away from the work zone and more than likely restricted to one lane in the direction work is taking place. Based on the work activity, it is expected that some or all left turns will not be permitted at the intersection or near the work zone to protect travelers and construction crews. To assist in managing traffic at the intersection, a law enforcement officer will be on-site from approximately 6 a.m. to 7 p.m.

weekdays; however, traffic control will remain in place even during non-work hours to protect the work area and for the safety of travelers.

You will be notified 48 hours in advance of any planned disruption to your water service. Business and resident access will be maintained. This work is tentatively scheduled to be completed in 6-8 weeks. Thank you for your continued patience during this work!

Please feel free to contact our project hotline at 602.532.6250 should you have questions or need information related to the project.

FUTURE: Olive and 59th Avenues Intersection Capacity Improvements Project

The City of Glendale is planning a **Capacity Improvements Project** at the intersection of Olive and 59th avenues in Glendale. This city-funded project involves milling and replacing roadway pavement, adding two new bus bays along 59th Avenue, adding a new westbound to northbound right turn lane on Olive Avenue, adding a new eastbound to southbound right-turn lane on Olive Avenue, and associated improvements. The purpose of this project is to improve traffic operations and pedestrian use of the intersection.

Comments and questions may be provided to the city via email (Olive59_Glendale@logansimpson.com) or phone (480.967.1343).
